Independent Auditor's Report on the Quarterly and Year to Date Audited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Sea Tv Network Limited

Report on the Audit of Standalone Financial Results

Opinion:

We have audited the accompanying statements of quarterly and year to date Standalone Financial Results of SEA TV NETWORK LIMITED ("the Company") for the quarter and year ended 31st March 2025 ("the Statements"), being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the statements:

- is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing obligations and Disclosure requirements) Regulations, 2015 as modified by circular no. CIR/CFD/FAC/62/2016 dated 5th July 2016; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information of the Company for the quarter ended 31st March 2025 and for the year ended 31st March, 2025.

Basis for Qualified Opinion

 The Company had accrued interest expense of ₹58.15 lakhs on unsecured borrowings during the first three quarters of the financial year ended 31 March 2025. However, during the quarter ended 31 March 2025, the Company reversed this previously accrued interest and additionally did not recognize interest expense of ₹141.59 lakhs pertaining to the fourth quarter.

Management has stated that, due to financial constraints, the Company is presently unable to service the interest obligations and is considering a restructuring of loan terms. However, as of the reporting date, no formal waiver or amendment of terms has been executed with the respective lenders.

In our opinion, the reversal of previously recognized interest and the non-recognition of current quarter interest expense are not in compliance with the principles of Ind AS 109 – Financial Instruments, which requires financial liabilities to be measured at amortized cost using the effective interest method, irrespective of actual payments, unless contractually waived.

Had the interest been duly recognized in accordance with Ind AS 109, the finance cost for the year would have been higher by ₹199.74 lakhs, the loss for the year would have increased by the same amount, and current liabilities as at 31 March 2025 would have been higher by ₹199.74 lakhs.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the annual standalone financial statements.

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs, specified under section 143(10) of the Act, will always detect a material misstatements when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design
 audit procedures that are appropriate in the circumstances, under section 143(3)(i) of the Act,
 we are also responsible for expressing our opinion on whether the Company has adequate

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matters

The annual standalone financial statements includes the results for the quarter ended 31st March 2025 being the balancing figure between the audited figures in respect of full financial year ended 31st March 2025 and the published unaudited year to date figures up to the third quarter of the current financial year which were subjected to a limited review by us, as required under the Listing Regulations.

Basis for Qualified Opinion

 The Company had accrued interest expense of ₹58.15 lakhs on unsecured borrowings during the first three quarters of the financial year ended 31 March 2025. However, during the quarter ended 31 March 2025, the Company reversed this previously accrued interest and additionally did not recognize interest expense of ₹141.59 lakhs pertaining to the fourth quarter.
